

Malibu Two XL

INCREDIBLY STABLE AND VERSATILE

The Malibu Two XL is a stretched version of the incredibly popular Malibu Two. It can be paddled as a double, or a single. It has moulded in foot wells and seat areas to accommodate all paddling positions. Also fits two adults and a small child.

- Two comfort seats come standard
- Two moulded in bucket hatches
- Side and end carry handles
- All fittings, saddles etc. attached using the 100% waterproof insert attachment system
- Optional oval rubber center hatch can be added.

Optional oval hatch can be cut out for below deck storage. Oval rubber hatch lid shown not supplied with boat.

Two bucket hatches

KAYAK SAFETY 100% Waterproof 'Inserts'

All saddles, handles and other fittings are attached using the 'insert' attachment system. Unlike rivets and screws moulded-in 'inserts' are 100% waterproof and won't loosen or pull out.
