Exceptional tracking and performance with limited water slap has resulted in the Prowler 13 being a phenomenally successful fishing kayak

Packing in the features with moulded on top storage for equipment and fish, two flush mounted rod holders, spacious dry storage, Comfort Seat comes standard, paddle holder, and an unique centre moulded storage bucket hatch.

*“My inshore fishing option. A great all round boat that is nimble and easy to manage. It gets used when the surf is up and when I need to get right in amongst the rocks”*

Stephen Tapp
